TO WHOM IT MAY CONCERN

Mr. David Stergmann has been working in our office as an assistant designer from **01 November 2011 till 26 April 2012**. During this period he has proven himself to be of great value to our office as an enthusiastic architect as well as an independent team member.

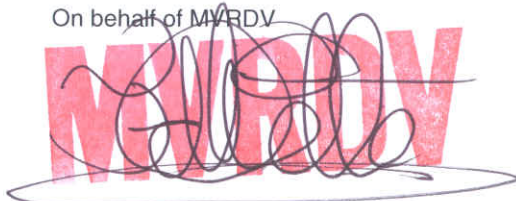

David Stergmann is a dedicated person both in working on the projects as in his contact with colleagues. During the projects David has proven to be a skilled and reliable team member. He integrates easily and is great person to have in your team. Over all, he has demonstrated a strong passion and motivation for architecture.

David has worked on several projects, such as:

- TP 523 MAQUINNEXT Barcelona, a competition for the extension of an existing shopping mall, combined with a 45.000m² housing program.
- TP 527 Yenikapi Istanbul, a competition for a location in the heart of Istanbul, for this competition a master plan, a metro station and a museum had to be developed.
- TP 533 Strasbourg Port Austerlitz, competition for 3 towers in Strasbourg, with a mixed program, offices, Retail, hotel and housing.

We highly recommend David to any architectural / design office and wish him all the luck in his future career.

On behalf of MVRDV

Mr. Frans de Witte
Project Manager, Architect
